THE GAME

3. SEE HOW THEY RUN
(W. Daniels, C. Van Cleave, L. Branigan)

Rain come down, wash away
All the tears that she cried
All the times that I've lied
I'd like to come up shining
In my baby's eyes
I'll never go away again
You know I don't want to end up
Like my good friends
Those three blind mice
See how they run
They all ran after the farmer's wife
She cut off their tails with a carving knife
Did you ever see such a sight in your life
Three blind mice
See how they run
And now, I see you standing here again
Well, I've seen it before my friend
And I got by without you once before
And I can do it again my friend
Go out to your city lights
Staying out all night
Tell me do you think it's right
Staying out all night/rain come down
All the times I've cried/wash away
You left me all alone/all the tears
You said I was the only one/that she cried
All the times that I've lied
I'd like to come up shining
In my baby's eyes
I'll never go away again
You know I don't want to end up
Like my good friends
Those three blind mice
See how they run
They all ran after the farmer's wife
She cut off their tails with a carving knife
Did you ever see such a sight in your life
Three blind mice
See how they run
